

Community Presentation Workshop to review and critique the Draft Economic Development Strategic Plan Monday, March 5, 2012

As you may recall, the Council of Huron Shores is creating an Economic Development Strategic Plan.

You are invited to review and critique the Draft Plan in a Community Presentation Workshop.

Since the Community Consultation on Values, held in late October, 2011, the WCM/MMM consulting team have been engaging Stakeholders in Huron Shores in detailed discussions. In the process, ideas, opportunities, obstacles and "Champions" have emerged. This has enabled the consultants to put together a credible, community-based plan to help move Huron Shores along the path to greater, and sustainable, prosperity, while respecting the core values of the Community.

Join us to:

- **Review the PowerPoint describing the Draft Economic Development Strategic Plan**
- **Hear what we learned when we consulted the Community for ideas and opportunities**
- **Add your critique, thoughts and new perspectives to the discussion**

Date: **Monday, March 5**

Location: **Day & Bright Community Centre,
1410 Basswood Lake Road, Sowerby**

Start Time: **7:00 pm sharp** (Doors open at 6:45 pm)

End Time: **9:00 pm sharp**

Please plan to arrive a few minutes early to ensure that we will start (and end) on time.

The Workshop will be lead by WCM Consulting and MMM Group. For more information please contact:

Debbie Tonelli, Clerk/Administrator
