

Municipality of Huron Shores Community Event Investment Fund

The Community Event Investment Fund (CEIF) is an initiative of the Municipality of Huron Shores to be administered through the Economic Development Advisory Committee (EDAC) as a fund that is dedicated to help not-for-profit organizations start up a new event that could become an annual one.

The fund could allocate one thousand dollars (\$1000.00) to the organization requesting assistance to start up an event that is deemed economically profitable for the Municipality of Huron Shores and to the economic betterment of the area.

The Municipality would require that five hundred dollars (\$500) be returned within two weeks after the event. Five hundred dollars (\$500) could be retained by the organization in order that they build a start-up fund for the following years.

EDAC would consider a request from an organization applying for a second year for a particular event if the event requires more assistance to stabilize itself.

Applications must be submitted to the Municipal Office at least four (4) months prior to the event to be considered by the Economic Development Advisory Committee. Approval is subject to qualifications and funding availability.

Municipality of Huron Shores
