## **BUSINESS SUCCESSION PLANNING**

*What is it? Why do you need it? When and how do you start?*

**Date: February 11, 2015      Location: Pier 17      Time: 6:30 – 9:00 pm**

In this seminar you will learn about:

- Exploring your options
- Keeping the business in the family
- Selecting and preparing a successor
- Planning a management buy-out
- Determining the value of the business
- Selling the business
- Financing the succession plan
- Understanding the tax and legal issues
- Managing wealth to secure your future

Planning ahead will help you to assess your needs in all these areas. Preparing your essential road map will give you with solid direction on how the ownership of your business will be transferred, and will help ensure that your business continues to thrive while you pursue other goals.
