

Municipality of Huron Shores

The Municipality of Huron Shores is endeavoring to keep its ratepayers informed of local initiatives and issues during COVID-19.

Municipal Office: Our Office is closed to the public, but staff continues to work for you. In order to keep everyone safe and to address physical distancing requirements, some staff members are working remotely. When calling the Office at 705-843-2033 during normal business hours, you will receive a live answer, if staff is available. Otherwise, please leave a message and we will return your call, as soon as possible. You may also call 705-542-6053 to reach the Public Works Superintendent, or 705-542-5528 to reach the Clerk/Administrator.

Coronavirus Resources Hub and Online Map: The Sault Ste. Marie Innovation Centre and Algoma Public Health have launched an online hub featuring local COVID-19 resources and a map displaying the facility locations that are open – ie. grocery stores, pharmacies, banks, food banks, etc. – and their operating hours, etc. The Website will also feature third party information regarding COVID-19. We encourage essential services in the area to visit the website and fill in the form to add this valuable information to the map. Visit <https://coronavirus-sault-algoma-response-cityssm.hub.arcgis.com> for more information.

Algoma District Services Administration Board (ADSAB): Links to reaching ADSAB staff during the COVID-19 Pandemic, and information pertaining to the Algoma Shelter Assistance Program and Low-Income Energy Assistance Program, can be found on our Municipal Website at huronshores.ca, or email ADSAB directly at clientsupport@adsab.on.ca, for further information.

Businesses: Links can be found our Municipal Website, or visit covid-19.ontario.ca, or call Stop the Spread Business Information Line at 1-888-444-3659, to obtain information respecting Provincial and Federal support.

Stay strong, stay compassionate, stay safe.
