

# Virtual Job Search Support

During this exceptional time, Sault College Employment Solutions is still here to help you seek and find employment. All our services are available virtually. Areas we can help with include:

- Discovering what jobs or fields are the best fit for you, given your personality, interests, and aptitudes
- Helping you identify job opportunities, including ones in the “hidden” job market
- Professional assistance with developing or polishing your resume, cover letters, and online job applications
- Providing information and referrals to training and educational programs
- Assisting with applications or referrals to other Employment Ontario programs.

## HOW TO REACH US:

Our current office hours are 8:30 a.m. - 4:30 p.m., Monday to Friday. Appointments with Employment Consultants can be made the same day, usually with minimal wait time.
