What is the VPR?

- + A free and confidential service aimed at improving safety of vulnerable persons during emergencies and disasters.
- + A secure communication tool that provides local Emergency Management Coordinators with the key information they need to help increase one's safety during Large-Scale Emergencies.
- + A service that will help our citizens to be prepared for an emergency by providing helpful resources.

Who should register?

- + Any resident of VPR service regions without 24-hour support, who experiences difficulty with any of the following:
 - **Mobility**
 - **Vision Impairment**
 - **Hearing Impairment**
 - **Developmental Disabilities**
 - **Cognitive Impairment**
 - **Mental Health Conditions**
- OR
- + Any resident of VPR service regions living at home who **requires electricity for life-sustaining equipment such as life support, oxygen, dialysis, etc.**

How does it work?

- + **Large-Scale Emergencies**
By registering with VPR, emergency response teams will have access to the locations of those who may need unique assistance during an evacuation.

Please remember...You still need to call 9-1-1 in an emergency!
