BRIDGE OVER MISSISSAUGA RIVER  
NEAR DEAN LAKE.

---

The new bridge built by the Ontario government across the Mississauga River, about two miles from Dean Lake station, will be formally opened to-morrow. The Dean Lake Athletic and Sporting Club will hold a demonstration to celebrate the event, at which there will be speeches, a turkey shot and a dance in the evening.

The bridge cost \$26,000. Mr. W. R. Smyth, M. P., who was instrumental in securing the money, will be the guest of honor. The event will be non-political.
