

Notice of Public Meeting

To be held by CarbonFree Kynoch Ltd. (CarbonFree) regarding a Proposal to Engage in a Renewable Energy Project

Project Name: CarbonFree Kynoch

Project Location: Kynoch, Ontario. Adjacent to Highway 554 in the unincorporated District of Algoma.

Dated at Toronto this the 9th day of March

Following up on the first Public Meeting held in November 2025, this Second Public Meeting will afford the surrounding community an opportunity to review the detailed project proposal and the environmental and engineering studies that have been completed

CarbonFree is planning to engage in a renewable energy project in respect of which the issuance of a REA is required. The proposal to engage in the project and the project itself is subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment, Conservation and Parks.

Meeting Location:

Date: May 12th, 2026

Time: 6:00 pm to 8:00 pm,

Place: Kynoch Community Hall, Hwy 554

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a utility scale Class 3 solar facility. If approved, this facility would have a total maximum name plate capacity of 154 MW. The project location is described in the map below.

Documents for Public Inspection:

The Project Description Report titled CarbonFree Kynoch Project Description Report describes the project as a renewable energy generation facility which will use solar PV technology to generate electricity. A copy of the CarbonFree Kynoch Project Description Report will be made available for public inspection on March 12, 2026, at <https://carbonfreekynoch.com>.

Further, the applicant has obtained or prepared the following supporting documents to comply with the requirements of the Act and Regulation: Natural Heritage Assessment Report, Water Body Assessment Report, Construction Plan Report, Design and

Operations Report, Decommissioning Plan Report, Archaeological Assessment Report, Cultural Heritage Assessment Report, and Acoustic Assessment Report. Written copies of the Project Description Report and other supporting documents will be made available for public inspection at the public meeting and will also be posted on March 12, 2026 at <https://carbonfreekynoch.com>.
